ACT-IT-OUT HEADLINES

As we move getting closer to the finalization of the project, the project team is working hard to deliver all results – the majority of the intellectual outputs have now been developed.

In July 2022, educators from 7 partner countries met in Nicosia (Cyprus) to attend the training that prepared them for delivering the 3Ps program in their national contexts. The training event was an excellent opportunity for partners, researchers, and educators to meet in person, to share experiences and to get to know each other both personally and professionally.

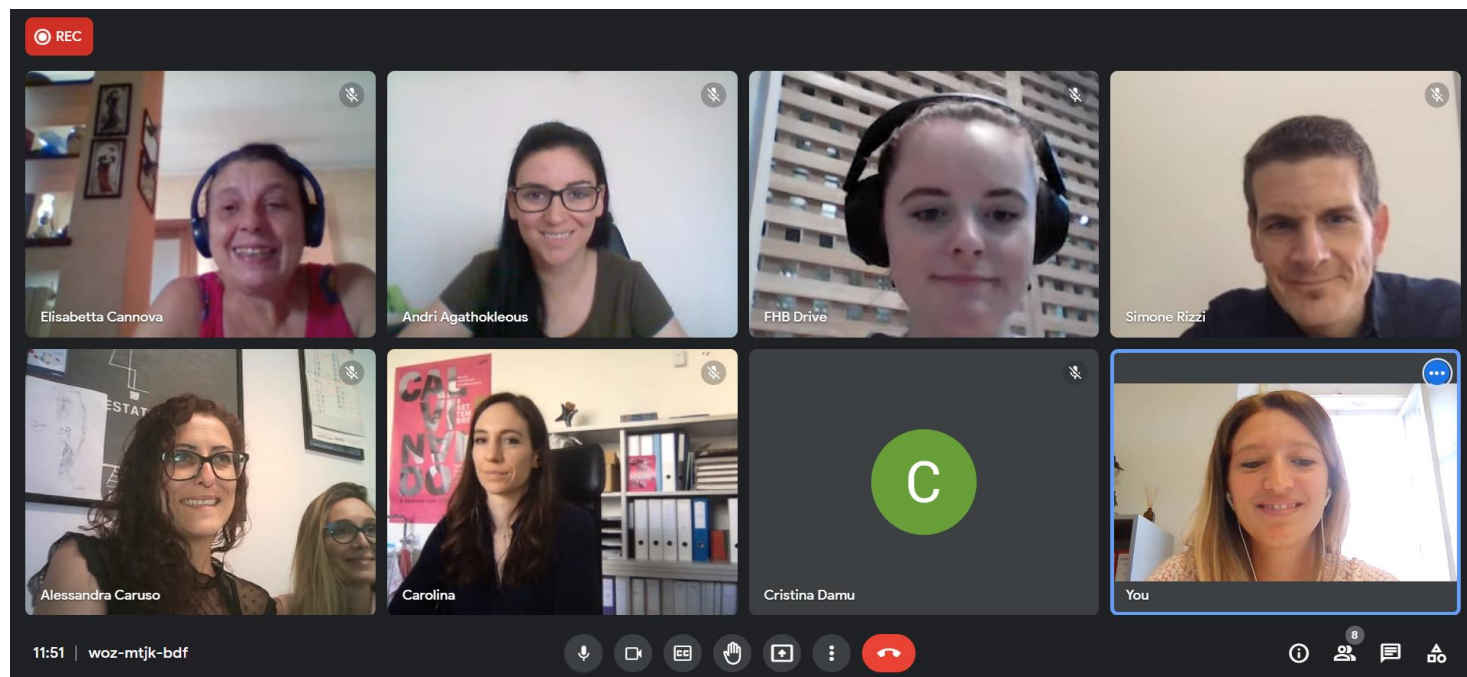

A few months later, in October 2022, two adult learners from all partner countries met in Rome (Italy) for a five-day training event. It was a rich and intense week, full of cultural expressions from many parts of the world, and creative emotions – our learners had a great time!

ONLINE PARTNER TRANSNATIONAL MEETINGS

Partners continued to meet regularly online to make sure the project runs smoothly and that all partners are up-to-date with their tasks. Although using video conferencing platforms and a variety of digital tools has proven useful and beneficial for cooperation, nothing beats face-to-face meeting and we're very looking forward meeting all in Berlin in December 2022.

WHAT'S COMING NEXT?

- Partner participation in a face-to-face meeting in Berlin in December 2022
- Local pilot workshops for adult learners and adult educators
- Translation of IO1 & IO2 in all partner languages
- Multiplier events in all partner countries in May 2023
- Final conference in Italy in May 2023
